Third Grade Homework Calendar

Week of January 24th

Each week, your child will get a new homework calendar. There will be different homework choices in math or word work for each day. Please select one with your child to complete. **Reading Reflections should be completed every day.** Homework and Daily Reading Reflections should be completed in each student's homework notebook unless a separate sheet is attached. Reading Reflections are expected to be one complete paragraph with at least 4-5 sentences. Homework notebooks and Reading Logs in the Daily Folder should be turned in each day. Color in or draw an X in the box of the Math or Writing homework choice you made.

Required Daily Reading Reflection

Monday	Tuesday	Wednesday	Thursday
No homework-Teacher Workday	Reading Reflection: Choose a fiction book to read. After reading for 20 minutes, write a reflection. Your reflection should include the genre of the book and how you knew it fit into that genre. For example (if you were reading non-fiction), a biography often includes a timeline.	Reading Reflection: Read for twenty minutes. Then, write a letter to the author. Suggest a different genre for the book and discuss how the story would have changed if written in that genre. For example, how would Cinderella change if it were science fiction instead of fantasy?	Reading Reflection: Choose two different fiction books to read. Each book should be from a different genre. Then, draw a Venn diagram to show how the genres were different and the same.
